Gentlemen:

This letter constitutes authorization to proceed with the performance of Task Order No. 6, under the terms and conditions of our Contract No. RD-110. You are to begin this work as of the date of your acceptance of this document as indicated below.

The scope of the work to be performed under this Task Order is set forth in the Schedule which is attached to and made a part of this Task Order.

The estimated cost of performing this Task Order, exclusive of the fixed fee, is Ninety Thousand One Hundred Eighty-Six Dollars and Sixty-Eight Cents (\$90,186.68). Costs in excess of this amount shall not be incurred without the prior written authorization of the Contracting Officer.

The fixed fee for the performance of this Task Order shall be Seven Thousand Two Hundred Fourteen Dollars and Ninety-Three Cents (\$7,214.93).

The work to be performed under this Task Order shall be completed within a period of eighteen (18) months from the date of your acceptance.

Upon completion of this Task Order, the Contractor shall render an accounting and inventory for any property governed by applicable Article(s) of the basic contract and shall accord the said property such disposition as the Contracting Officer may direct in writing.

Task Order No. 6
Contract No. ND-110

SCHEDULE

SCOPE OF WORK:

The work to be accomplished and the material and services to be furnished under this Task Order shall be in accordance with your letter of 13 May 1957 and technical proposal attached thereto entitled "Development of RS-19", dated 13 May 1957 and Government Specification No. 57-A-1062-A - "Task Outline for the Development of the RS-19", and Attachment "A" thereto, dated 22 March 1957. The aforementioned specifications are incorporated by reference and made a part hereof with the same force and effect as if fully set forth herein. One copy of the specifications are on file with each the Contractor, the Contracting Officer and the Project Engineer.

SECURITY:

The classification of the components and sub-assemblies are unclassified. In the event any question may arise during the preliminary phases of the work and/or research concerning the security of the technical aspects, i. e., security classification of various component parts and/or related reports connected hereto, the Project Engineer is authorized to furnish security guidance during this interim period.

The above is only to be considered an authorized expedient and efficient means of resolving technical security problems by Project Engineers on the spot and is not to be construed as a waiver of the contractor's responsibility to request formal written notification and/or authorization from the Contracting Officer prior to effecting any changes in over-all security classification of the contract, or item and/or reports being developed thereunder or the Contractor's Security Requirements, as agreed.

The completed equipment and the association of the sponsor with the work is classified SECRET. This classified information will be divulged only on a need-to-know basis and then only to those who have been authorized in writing by this government component to have access to classified information. All correspondence originated by you in connection with Task Order No. 6 to Contract No. ND-110 is to be stamped by you with the classification of SECRET.

NON-PROMOTIONAL CLAUSE:

Although the items being designed and fabricated under this Task Order are considered unclassified when dissociated from the purchaser, you are not at any time authorized to use the items for display or promotional purposes or in any way publicly disclose the item unless you have requested and have received prior written authorization to do so from the Contracting Officer.
